

## Montana Natural Resource Information Digital Atlas of Montana

### Stream Selection

Enter the stream name in the box below, select a buffer distance around the stream, and click the "Select" button.

From the resulting list of streams, click the name of the stream you wish to view.

Please Note: Keep name entries simple, such as *crow* or *three mile*.  
Do not include "river" or "creek".

Enter Stream Name    Buffer Distance

Lolo

0.5 Miles

Select

### Stream List

- If a stream flows through more than one county, you may select the entire stream or just the portion of the stream in one county.
- If a stream is the boundary between two counties, its length will be shown in both counties.
- The stream buffer on your maps will extend into all counties that are within the buffer distance of the stream segment.

Stream	Tributary To	County	Miles
Lolo Creek	Bitterroot River	Missoula	30.1
South Fork Lolo Creek	Lolo Creek	Entire Stream	14.6
		Missoula	8
		Ravalli	6
East Fork Lolo Creek	Lolo Creek	Missoula	8.1
Lolo Creek	Flathead River	Lake	7.1
West Fork Lolo Creek	Lolo Creek	Missoula	6.8

## Major Streams

Selection Info: Lolo Creek, with a buffer of 0.5 Miles
